## **Related Reggio Emilia Internet Sites**

### **[www.reggiocollab.org](http://www.reggiocollab.org)**

The St. Louis Reggio Collaborative, located in St. Louis, Missouri, is a network of three schools and one university. The collaborative has been inspired, since 1991, by the work of educators in Reggio Emilia, Italy and by colleagues throughout North America. These inspirations support members of the collaborative as they strive to stretch and grow their own practice through shared study and collaboration and by offering opportunities for others to visit the schools on delegation days and during conferences.
